## War Tax Resistance is...

War Tax Resistance is when people refuse to pay all or part of the taxes that are used for war. It's an act of protest that takes money away from the military and puts it back into our communities. War tax resistance is not about getting away without paying your fair share. It's about taking a stand for peace!

Find out more at: <http://www.warresisters.org/wtr.htm>

**IF YOU WORK  
FOR PEACE**

**STOP PAYING  
FOR WAR.**

**Make a film that will  
make a difference!**
